

# A MOTK Tradition...Bear Grams!

**Bear Grams are a great way for us to tell our Band and Color Guard students how much we appreciate their efforts!**

A Bear Gram is a teddy bear with a special message handwritten from you to your student. We have two different teddy bear options:

- 2023 "Imagine" Theme Bear
- 2023 MOTK Classic Theme Bear

Each bear is \$20 and will be distributed to the students after their Music of the Knight performance on Saturday October 21, 2023. A limited number of bears will be available for purchase at the Merchandise Booth at MOTK, but there are no guarantees on availability if not pre-ordered.

**We will be collecting Bear Gram orders until Saturday September 23, 2023. Unfortunately, no orders can be accepted past this date.**

If you are interested in purchasing a Bear Gram, please fill out the following. You can pay with cash or credit card during Marching Band merchandise sale days. Other days, cash or check are accepted. Make checks payable to: Southington Band Backers.
